Before & After

Before & After
I was once a fool,
Lived nice,
It was fun,
Then I got the call,
Went on a trip,
It was perfect timing

Nobody cared about her
She was just a dog,
In a bag,
On a show.
Actors & actresses walked pas her.
It was boring.
That's why I saved her.
I didn't have a choice.

A mannequin with a towel on it's head???

Holy Shit!!!!

I live in a studio & take photos of my room-

When God shuts a window, she also closes a door.

Everything is scary on a skateboard.
Not having a care in the world?
That's the easy part.
I'm gonna quit.
I'm going home.

Going in for the kill.

Riding a wave.

Stabbing a surfer while he is surfing & you are also
on a surfboard.

The perfect assassination.

The perfect crime.

I once asked Cindy Sherman for a job.
She was like “U gave me the job
& now I’m doing the job
& now U want me to give U a job?
How does that work???”
I needed help bad.

Learning To Love You More
Learning to be more polite
A girl who is a singer in the band-
She figures it out-
Visits her ex-
She kills me!!!!!!!!!!

The best boyfriend alive
No drama where I come from-
I come from a family of Skateboarders,
Talented photographers who can skate

Shut down/ Shit down

Am I a feminist???

“Playing guitar is like wanking off,
So I’m a girl & I want to play the guitar like a girl
masturbating.”

Christ!!!

Sleeping in is depressing at my age.

Buy records, sell records,

They are the last records U will ever buy!!!

Girl-Boner-In-Da-Ear

The lowest form of humor is me,
Sitting alone,
Watching DVDs.
Sometimes jokes have a life of their own,
Like this:
“I love Richard Prince,
I love Richard Prince jokes.”

Visions of the good times!
Seeing all that hair & grain one last time.
We were so young!
A man with a microphone
Telling it how it is.
Making u laugh.
Selling u a t-shirt.

Visiting old friends at their house(es)-
So many beer cans!!!
They don't care & I don't worry about them,
Their mothers worry about them I figure

What a golden age!

An age of gold!

The old people are dying & the young are sold!

She jumped 30 ft. & broke both her ankles.

She drank poison & puked blue.

What happened to u???
U used to frown,
Now u walk around town,
Can't live it down.
Don't be sad,
Be mad get mand,
So mad...
A horrible cycle that ends somehow
